A special thank you to our welcoming committee of Ricky, Kayla, Anne, Cathy, Sandy and Charmaine on the door. The infamous raffle ticket sellers Cathy, Ricky and Sandy did an outstanding trio effort in sales!

Huge thanks also to Jackie who provided the stage lighting for Delisch. It was spectacular!

The New Years Eve Party saw overwhelming support from all the girls - the preparations, setting up the hall and on the night. A special thank you to all the girls who pitched in wholeheartedly in the clean up. To all those who attended...a huge thank you. It's a very warm feeling to have so many supporters... they made the night special. Everyone played a valuable role in ensuring the night was a success.

The "Village Girls" appearance was the highlight of the night. Well done Kayla for organising this. We look forward to repeat performances!

PRESIDENT'S REPORT

WELCOME TO 2012. Hopefully you have all survived the Festive Season and came through it relatively unscathed and intact?

Our December Xmas dance proved to be a fantastic event. A great mix of people attended and made for a brilliant night. From my perspective, it was very heartening to see so many familiar faces attending and/or returning. Everyone had beautiful smiles plastered on their faces throughout the night which was absolutely superb to behold. We had a happy mix of regular dance attendees, occasional visitors and the girls who we see once or twice a year and who are always good value. All this combined to create a special night and an electric atmosphere within the room. BRILLIANT.

New Year's Eve brought another dance and another special night. Gosh we have trouble partying! This night was a combined Feathers, Coast Connections and Sirens event. What a wonderful idea. New and different faces gathering to have a wow of a time. These "combination events" allow us the chance of getting to meet new people and forge new friendships. They also help the respective committees facilitate larger events than one Club may be able to arrange. Please consider attending any of these events advertised and scheduled for the future because you will have fun and our Clubs will continue to thrive. Back to the subject of the NYE dance. The hall looked SUPERB on arrival and departure. A huge THANK YOU to those who spent their Saturday afternoon arranging and decorating the venue. The surprise factor when the guests began arriving was pretty overwhelming and helped prove what a great job you all did. A dear old hall was transformed into a classy dance hall for just one night (no burlesque but the Village Gals did make an appearance!!). We came to the party en mass and wrecked all the decorations and hard work by having heaps of fun and then: lo and behold a troupe of New Year fairies appeared at the end of the night and thoroughly cleaned and restored the hall to its former dignity. I know the primary organisers were VERY grateful to those fairies and relieved that their New Year's Day hangovers could be given the care they needed.

Now we head into 2012. Time to play hard and enjoy ourselves (Again!!). Our January Dance has a Hip Hop theme and a Dance Off has also been arranged. Not sure what that all means?? Nor am I really. So... come and check it out with me! We need those who fancy that they can dance and those who fancy watching the dancers. I do know where I fit in there!!

Australia Day celebrations this year are sorted and it is full steam ahead. Another of our "Combination Days" with Feathers combining with Coast Connections to hold an Aussie Picnic Day. Check out the postings within this Newsletter or on the Website for further info. Get your AUSSIE T-shirt, thongs, Ozzie beer cooler, Aussie flags, dust off your lamingtons and come have a cold beer Mate. See ya there Cobber.

A final note (oh stop cheering, I can hear you...) 2012 brings the Chinese "Year of the Dragon". Time for health, wisdom and prosperity. ENJOY YOUR YEAR WITH FRIENDS, FAMILY and THOSE WHO MAKE YOU LAUGH (for this is healthy and the others will follow....) Anne
